## EVDC TRAINING PROGRAMME CHANGES FOR 2016

1. Training and Membership Application Dates and Deadlines (available on [http://176.32.230.22/evdc.info/wp-content/uploads/2016/05/evdc-guide-Dates\\_and\\_Deadlines\\_for\\_Membership\\_and\\_Training\\_Applications-FINAL-voted-on-22-5-2016.pdf](http://176.32.230.22/evdc.info/wp-content/uploads/2016/05/evdc-guide-Dates_and_Deadlines_for_Membership_and_Training_Applications-FINAL-voted-on-22-5-2016.pdf))
2. Updated abbreviations and nomenclature (as used by AVDC) have to be used by the residents from may 23, 2016 onwards. See: [http://176.32.230.22/evdc.info/?page\\_id=690](http://176.32.230.22/evdc.info/?page_id=690)
3. TMJ rad sets were removed from the credentials requirements. The action is also retroactive as of May 23, 2016.
4. From May 23, 2016 onwards, there is a Credentials Committee and and Education Committee.
5. Updated reading list (species non-specific) available online ([http://176.32.230.22/evdc.info/?attachment\\_id=782](http://176.32.230.22/evdc.info/?attachment_id=782)) as of September 14, 2016
6. New »Publication requirements«, available on [www.evdc.org](http://www.evdc.org) (Resident library). These apply to all residents registered in TP after October 23, 2016. Residents registered in TP before October 23, 2016 may elect to follow this new document or the previous requirements as set out in »Credentialing Information and Application for Membership« Document (<http://176.32.230.22/evdc.info/wp-content/uploads/2013/08/Credentialing-Information-and-Membership-Application.pdf>)  
4.A (items 11 and 12).
7. New »Dental radiograph sets requirements«. From October 23, 2016 onwards, a maximum of 30 images is allowed for full-mouth radiographic series in dogs and a maximum of 14 images is allowed for full-mouth radiographic series in cats.
